Wonderful News!

On October 30th we accepted an offer on our house in Russellville. Praise the Lord! Thanks for all the prayers to sell our house. Keep praying; we are scheduled to close on December 3rd. We are going to be very busy in November looking for a place to live in Omaha and packing. Another prayer request is where we will live. God has answered the prayer on selling the house, so keep praying for the area where we will make a home in metropolitan Omaha. Thanks for holding the rope of prayer.
