Great Missions Revival

Prior to our return to Romania at the end of September, we enjoyed the great blessing of participating in our Missions Revival at Faith MBC in Cabot Arkansas. We were happy to have as our quests, Randy & Sandra Cloud, Ernie & Ruby Lawson, John & Alisha Stiech, Randy & Debbie Taylor and Gary & Julie Bowers. Brother Randy Cloud was our featured speaker. Wow! What a Great Missions Revival!

Great Medical Campaign

We arrived back in Romania just one day ahead of this year's Medical Team sponsored by Faith in Cabot. From Cabot were Toben & Sandy Bennett, Pam Depriest, Melissa Simmons and Tracy Thomas. From Sheridan was Jason Timmons. From Pine Bluff were Joel & Beth Foster and Garrett & Caron Taylor. From Madison Mississippi were Roger & Debra Taylor. Three Dentists, their assistants, two Nurses, a Micro Biologist (serving as Pharmacist) and a Nurse Practitioner, did an outstanding job ministering to many people both in Feldioara and Brasov. Both of the Churches were blessed by the compassionate care. Bro. Roger Taylor served not only as assistant in the Pharmacy but also brought some outstanding messages during the services in both Brasov and Feldioara. We praise the Lord for the many contacts that were made. With each patient that came through the door also came the opportunity to share the message of the Gospel. The information gathered during the campaign will serve useful for follow up for a long time. Pray with us that the seed sown will bear much wonderful precious fruit to God's Honor and Glory.

Building Progress

Brother Jim Black and I continue to work on the Brasov building. The Auditorium is now finished and back in use. Also the large room upstairs for the Bible Institute only lacks the carpet. We are now finishing up the foyer and hopefully will finish the Pastor's Apartment soon.

Bible Institute

In October we began our Fall Semester of Bible Institute. We had a great opening day. The students were eager to learn and the teachers are all doing a fantastic job teaching.

Humanitarian

All of our activities continue as normal. We wish to thank Cornerstone Baptist Church in Walla Walla WA., for the handmade blankets. Hospice and Babies will receive these. We continue to praise

the Lord for Savina's improved health. She is now attending Nursing School. Thank You All!....Kim
