Gary Woodring, Pastor
Julie Schoeff, Director

Recent Deputation

We recently had the pleasure of visiting several churches and were given the opportunity to raise awareness about the Eyes On Christ Ministry. We offer a big thank you to the folks at **Hyde Park MBC** and her Pastor Jeff Luellen, West Monroe LA. We had a great mission's conference and were blessed by the warm welcomed and the generous donation to the ministry. We were privileged to stay with Bro. and Sis. Sumrall. We had met them on a previous mission trip years ago and we had a great time of becoming reacquainted.

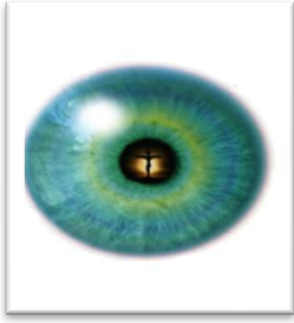

Our next stop was **Skyline Baptist Church** in Madison, AL where we again were warmly welcomed by the church family and her Pastor Ron Ballard. We were a part of their MARS (Missionaries Are Really Special) program and it was definitely "Christmas in September". We spent our last night with Bro. and Sis. Apt catching up with news from "back home in Indiana".

The last stop found us at Florence Blvd MBC, Florence, AL. We enjoyed spending the morning and afternoon with this church and her Pastor David Gregg. Sis. Julie particularly enjoyed sharing with Sis. Gregg's Ladies Sunday school class about the ups and downs of being a missionaries wife, information about the **Sheridan FBS** mission and the Eyes On Christ ministry.

We arrived home late in the evening with early morning work alarms set for the next day. Even though we were exhausted it was difficult to get to sleep after such a wonderful time of renewal, fellowship and being blessed by God's people.

DVD'S Are Ready

Thanks to the help of the **ABA Disaster Relief Ministry** the promotional DVD's for Eyes On Christ have been completed. Each DVD includes a five minute promotional video as well as a 35 minute documentary of the trip to Africa to assist Bro James Taylor. If you have already requested a DVD it should be in the mail by the end of the month. If you have not requested a DVD it is not too late! Just send us an email and we will add you to the list.

Eyes On Christ

20/20 Teams Needed

2011 is shaping up to be a busy year for the Eyes On Christ Ministry. We are planning trips to Peru, Haiti and Vanuatu. The last several years we have averaged taking twelve bags on each trip and the cost has averaged \$400 to get each bag to our destination. We are looking for teams to help us get our bags onto the mission field.

We will need twelve teams for each one of our trips. Each team of 20 people commits to \$20 each to help us meet our goal. We are also asking that each team member to specifically pray for the people God intends for the content of each bag to reach. We are encouraging groups to name their teams, challenge others to see who can fill their team slots first and have lots of fun in raising teams. Be sure to email us and let us know you are working on your team, which trip you would like to sponsor and if you need more information from us to help you with the task.

FUNDS NEEDED FOR UPCOMING TRIPS

We are currently raising funds for 2011 trips. Preliminary estimates indicate the cost to the ministry of the Peru trip will be approximately \$7500, Haiti approximately \$5000, and Vanuatu \$15,000. There is still room for people to join us on these trips. Individual costs for the trip will range from \$2500 to \$5000 depending on location, final airfares and the number of individuals traveling with the group. If you are interested in being a part of one of the trips, please contact Sis. Julie for more information.
